

We, the board members of New Castle Little League, are truly blessed to have been chosen by the Purvis family to receive the proceeds from their annual golf outing.

Rick Purvis was a tough, 100% competitive player and coach, but always had the biggest and softest heart for the kids. There was nothing that he wouldn't do to help players in our league. Rick was known to pay entry fees and buy equipment for many players through the years.

The NCLL plans to use all proceeds donated by the Purvis Golf Outing to "redesign" our facility, including four new dugouts, backstops, and a centrally located concession stand. In addition, in the next few years we plan to add a new tee ball diamond. Renovations are planned to start late this summer and will take a few years to complete.

Thank you to the golfers for your generous donations, you are helping the Purvis family and New Castle Little League continue Rick's legacy.

Sincerely,

New Castle Little League President

Steve Pass

for Hole-In-One on hole 2

Rick's Legacy...

Rick Purvis was a lifelong resident of New Castle. He was a hard-working man who would always put his family first. Throughout his life he was very active in sports and raised 3 children who followed closely in his footsteps. Rick had a passion for helping kids, but never wanted to bring attention to himself. Rick was a long time youth coach volunteering his time wherever he was needed. Often times he would sponsor a child's entry fee or purchase a piece of equipment, because he did not want a child to miss out on the experience of youth sports. Rick passed away in August 2016, but his legacy will not be forgotten. Please help us as we continue his passion by giving back to New Castle youth sports.
